**Subject:** Columbia River Cold Water Refuge Workshop - November 8th

Hi All Attendees of the Columbia River CWR Workshop,

Thank you for indicating that you will be attending the upcoming workshop. As you can see from the list below, we have wonderful broad-based group of folks. Please see the attached agenda along with a recent article in The Water Report that provides a summary of the project and some initial findings.

The Workshop is planned for 9AM – 1PM, but we would appreciate arrival between 8:30 - 9:00 AM and the EPA project team will be available for informal discussions from 1– 2 PM. We will have some snacks for a mid-workshop break, but you are on your own lunch.

We're looking forward to seeing you at the Workshop.

Thanks,  
John Palmer and Dru Keenan
